Customer Reviews

A 12" x 16.5" map of the downtown central core with bus (numbers are present but exact routes in the central core are a bit unclear), subway (well defined), and Scotrail (well defined) information. No scale is provided. One park & ride (800 spaces) with subway station is listed so that one does not need to drive into the city proper. The flip-side shows a more suburban view and again I have not found a scale. Only major streets are named here with a couple of tourist sights highlighted. The bus routes are more clear and subway and Scotrail routes are excellent. Folds compactly to 3" x 6".
Negatives: made of paper so can tear and get wet. I would have preferred plastic infused or laminated. No scale measurements.
