Sharing With Others: A Book About Selfishness (Growing God's Kids)

Synopsis

Habits and attitudes developed in the preschool and kindergarten years affect a child for the rest of his or her life. These years are also a challenging time for parents as children test boundaries (and patience). How parents and children respond makes all the difference in the world. The Growing God's Kids series is designed to help young children understand their feelings, develop godly ways to deal with temptations, and form positive attitudes and behaviors that will serve them well in the future. In *Sharing with Others*, parents and children are encouraged not only to avoid selfishness but to approach others with hearts that take joy in sharing.

Customer Reviews

Discover the value of thinking of others first Sometimes Max is selfish. He tells his friends they have to play what he wants to play, won't let his little brother play with a new toy, and doesn't want to do his chores. Everyone wants to get their own way sometimes. But Max will discover that compromise and sharing have much better outcomes than demands and pouting . . . Come and learn a better way to handle selfishness--God's way! The Growing God's Kids series helps young children learn how to deal with emotions and behaviors that are part of growing up. Carolyn Larsen is the bestselling author of more than fifty books for children and adults, including the popular Little Girls

and Little Boys Bible storybooks.

Carolyn Larsen is the bestselling author of more than fifty books for children and adults, including the popular Little Girls and Little Boys Bible storybooks. She is a frequent conference speaker around the world, bringing scriptural messages filled with humor and tenderness.

This book series follows "Max" as he learns about different concepts which include selfishness, rudeness, anger, etc. Each book has 4-5 scenarios that are very age appropriate for a 3 year old. The story line is easy to follow without losing his attention. The best part is that when he acts up, we can easily remind him of how Max acted in the book and it helps our son correct his own behavior.

Bought this book to use as a "social story" for my son with ASD. He really likes this series and enjoys reading about the main character - a little boy like him! Highly recommend to parents, teachers, and therapists looking for a straight-forward approach to teaching how and why to share.

Sweet

Great book to teach kids about the importance of sharing with others.
