Critical Care Nursing Of Older Adults: Best Practices, Third Edition

Synopsis

2010 AJN Book of the Year Award Winner in Critical Care--Emergency Nursing! Designated a Doody's Core Title! This evidence-based book is an excellent reference for ensuring high-quality management of the elderly and of their particular needs in the critical care setting. --AJN [This] book's contents run the gamut of elder problems and care: physiology, pharmacology, nutrition, restraints, substance abuse....it is a compendium that can be used as a text or a resource. --Claire M. Fagin, PhD, RN, FAAN (From the Foreword) This book is an evidence-based, best-practices guide that directs the bedside care of critically ill elders. The book serves as a reference on major clinical issues for nurses working at the forefront of care-from nurses in critical care and step-down units to those in trauma and emergency departments. Nurse educators at all degree levels will also find this book to be useful as a textbook and resource for students. The authors provide evidence-based, practical guidelines for both the complex clinical and management aspects of care. The book offers comprehensive coverage of all the issues caregivers need to be up to date on, including the standards of practice for geriatric care, new technologies, pharmacotherapy, pain management issues, ethical issues, and much more. Key topics discussed: Strategies for patient safety for older patients in the intensive care setting Family responses to critical care of the older adult Infection, sepsis, and immune function Understanding and managing sleep disorders in older patients in the ICU Heart failure in the critically ill older patient Substance abuse and withdrawal in elderly patients

Terry Fulmer, PhD, RN, FAAN, is president of the John A. Hartford Foundation and leads its work to improve the health of older adults in the United States. Dr. Fulmer was previously university distinguished professor and dean of the BouvÃ© College of Health Sciences at Northeastern University where she was also professor of Public Policy and Urban Affairs in the College of Social Sciences and Humanities. Previous to her role as dean of the BouvÃ© College of Health Sciences, Dr. Fulmer served as the Erline Perkins McGriff Professor of Nursing and founding dean of the New York University (NYU) College of Nursing. Dr. Fulmer is nationally and internationally recognized as a leading expert in geriatrics, and is best known for her research on elder abuse and neglect, which has been funded by the National Institute on Aging and the National Institute for Nursing Research. Dr. Fulmer is an elected member of the Institute of Medicine and serves as the chair of the National Advisory Committee for the Robert Wood Johnson Foundation Executive Nurse Fellows program. She has served as the first nurse on the board of the American Geriatrics Society and as the first nurse to serve as president of the Gerontological Society of America. For 15 years,

Dr. Fulmer served as the codirector of the Hartford Institute for Geriatric Nursing at NYU, which the foundation began supporting in 1996. She has also held faculty appointments at Boston College, Columbia University, Yale University, and the Harvard Division on Aging. Dr. Fulmer received her bachelor's degree from Skidmore College, her master's and doctoral degrees from Boston College, and her geriatric nurse practitioner postmaster's certificate from NYU. She has received the status of fellow in the American Academy of Nursing, the Gerontological Society of America, and the New York Academy of Medicine.
