Customer Reviews

I never received the book

Pretty thorough - would like to see more on Cartagena though - a little too general at times, but the info on this subject is pretty thin so it is appreciated anyway Ã¢ÂÂ¸ÂÂ¸

Very detailed account of p4p locations mostly in Medellin. Also, good overall safety tips for male travelers looking for an easy score.

I was interested in an eBook that gave me a peek inside Medellin's P4P side. The focus of this book was Medellin, but also covered Bogota and Cali. The writing style was clear and without clutter, many "insider" suggestions, and dire warnings!

This book gets to the point and gets u right to the best action at the best bargain prices in Medellin Cali and bogota. I can't wait. I'm leaving in 10 days. Cut straight to good stuff and also covered how u need to conduct yourself, how to blend in. Common sense sht for a native Colombian and it allows u to fit in and stay safe and in paradise
