Book by Frentzel, Martin, Lewon, Dennis, McGivney, Annette

I bought this book as I had purchased "identical" more up-to-date Foghorn Camping books for California and the Pacific Northwest and found these extremely helpful. Specifically this book was purchased for my winter/spring trip to Arizona with my motor home. The book provides valuable information and hope it's still relevant despite it being the 1996-1997 edition. The softcover book itself was in mint condition and I am absolutely pleased with the cost and delivery. I'm looking forward to using this 5 years after publication without hesitation as I am a realist. Perhaps a current edition is in the works?
