## Customer Reviews

This book is a good companion to your casebook. I would much rather read this than the casebook. It's well-organized, with good writing style, and thorough information. It includes many examples of each concept throughout the book which helps you to understand the key concepts and issues.

Don't usually use E&E but this one was super helpful

ok

Good book for the layman.

This was so helpfull! It was vital when preparing for my WTE final! Recommended!!

Saved me in class! So helpful

I love examples and explanations for studying. I think they are a necessity for preparing for finals, and for clarifying any issues.

Lifesaver for the final exam and studying for the bar. E&E supplements are by far the best.
