Milet Publishing is a leading independent publisher of books for children, young adults, and adults, featuring more than 300 titles in English and more than 25 languages that celebrate multiculturalism and multilingualism.

The pictures are nice quality but there are no german articles (der, die, das) included with the words, which is not so great for language learning.

This was useful. We are teaching our son German, and this helps us incorporate some words we might otherwise forget to use, such as "berg"

Wonderful. Thanks.

Satisfy!

This book is very bad! It has no articles, the nouns are not capitalized and a lot of the words are not really German (e.g. Farm instead of Bauernhof)! I was very disappointed!!

Seems to be written with Google Translate or something.

Nice pictures, good choice of words to spur a toddler's/preschooler's interest, but no pronunciation guide. Parents unfamiliar with German should probably avoid.

The German for "park" = park. There are almost 50% of the images that the words are the same as English. Really stupid book
