This is small enough to fit in my medium purse so I can carry it everywhere, and when I have to wait, I've got something to do. The puzzles are a little harder than my daily newspaper but not much. It's pretty, too.

I like the Pocket Posh Crosswords series because they are challenging, but not so hard that they

are ridiculous.

Love these crossword books

Anxious to try the Pocket Post crosswords! Great for making the mind think!!

Love these puzzles. So easy to carry and use. These are not really easy puzzles, but if you think a little you can solve them.

I love these little crossword books but this one has a lot of tricky clues and it is not listed in a way that you would think it may be anything other than a serious answer. So I did not enjoy this one as well as some others but I would still buy it because it entertains me and helps me pass time when waiting somewhere.

Love it!

Love these crossword books. A nice challenge in an easy to carry small book.
