Good planner. Will definitely serve its purpose and I like the layout and design. However, disappointed with the quality. I feel like it's going to wear out really fast because it doesn't have a plastic cover like my past planners have had making it more durable.

This academic planner is such a great investment, especially if you're a student and you want to keep your life organized. It has a monthly calendar from 2016-2018, as well as a weekly calendar

where you can write your responsibilities for the week. I love it so much, the size of it is also a plus, since it's a large planner I find it a lot more appealing to the eye than a smaller one that appears more cluttered. Also, who doesn't love a marble print?

Perfect for college ! Love it

Nice product!

Really nice planner. The front and back pages are thick and sturdy. Plenty of space on each day to write notes.

Excellent quality! Thick pages and no bleed through! :D Shipped on time.

Felt very cheap. The paper was too light and the cover came bent too.

Thank you!
