100 Years: Wisdom From Famous Writers On Every Year Of Your Life

Synopsis

An extraordinary literary journey, 100 Years celebrates every age from birth to 100 with quotations from the world's greatest writers. This literary tapestry of the human experience will delight readers of all backgrounds. Moving year by year through the words of our most beloved authors, the great sequence of life reveals itself—the wonders and confinements of childhood, the emancipations and frustrations of adolescence, the empowerments and millstones of adulthood, the recognitions and resignations of old age. This trove of wisdom—featuring immortal passages from Arthur Rimbaud, Sylvia Plath, Virginia Woolf, David Foster Wallace, William Shakespeare, Herman Melville, Jane Austen, and Maya Angelou, among many others—reminds us that the patterns of life transcend continents, cultures, and generations. As Thomas Mann wrote of our most shared human experience: "It will happen to me as to them." Designed by the legendary Milton Glaser, who created the iconic NY logo, 100 Years brings together color, type, and text to illuminate the ebb and flow of an entire life.

“Clean and simple. As the pages pass, there is an increasingly wistful sense of what time takes from us.” - John Williams, New York Times Book Review

Joshua Prager is the author of *The Echoing Green*, which was a Washington Post Best Book of the Year, and *Half-Life*, which *The Economist* called “an impressive work of self-scrutiny.” He writes for publications including *Vanity Fair* and the *New York Times*. He

I bought this book for one of my adult children who was having trouble turning a certain age...but I fell in love with it for many of the other ages inside. as well. What a clever idea to find snippets from literature relating to every age from birth to 100; although quite honestly, we will all be able to learn much from authors such as Anne Frank, Gabriel Garcia Marquez, John Updike and even Virginia Woolf. A lovely book to keep out and refer to from time to time. Great for around the table to share with friends who are willing to reveal their ages, too!

I heard about this on the TED Radio Hour podcast and was so intrigued I bought it right away. It's a nice conversation piece

Just received the book today-- it's incredibly gorgeous and well compiled. Thanks Josh for compiling the wise words of many of the world's most brilliant writers.

Not only did it arrive quickly the book itself is beautiful. The gradient color of the pages move wonderfully along with phrases on each page. I am savoring each and every year.

A SPECIAL kind of book for anybody who has ever been born. Suitable at any time. Great gift. Well written and fun.

Very cool idea and great birthday present book

Really great book when you're freaking out about what the future is going to be like.

Fantastic thoughts on age from an amazing range of authors. I've twice given this book to friends. One to keep and return to often.
