Quick Conversational Hypnosis: Hypnotize Anyone For Any Reason Without Them Knowing That They Were Hypnotized, Just By Having A Normal Conversation With Them

Synopsis

Want to hypnotize people just by talking to them? Want to make them do what you want? Don't want them to find out? You want this book! This book was first written exclusively for participants who attended a one day experiential conversational hypnosis workshop. The goal of this book is to teach you specially selected lessons in conversational hypnosis which will benefit you the greatest and have the most impact on your ability to hypnotize anyone just by having a normal conversation with them. If you need to learn conversational hypnosis quick then this is the go-to book you want to own. You'll learn precisely what you need to know and walk away from the book using what you learn immediately. This book will teach you the Milton Model. In fact I have taught it twice in the book, in quick fashion, both times, because repetition changes persuasions and makes learning happen. You'll also, on top of this, learn 51 [cookie-cutter easy] fill in the blank hypnotic language patterns. Want to know the best part? You'll have to read the book to learn this. Here's a hint though... You'll learn a lot more than what I have mentioned in this simple description. I promise! **HURRY! DO NOT DELAY! GRAB YOUR COPY TODAY! THIS BOOK MAY NOT BE FOR SALE LONG! I WAS HALF TEMPTED NOT TO PUBLISH IT AS IT WAS ORIGINALLY WRITTEN FOR THOSE WHO PAID THOUSANDS TO ATTEND THIS ONE DAY WORKSHOP!**

Book Information

File Size: 1493 KB

Print Length: 162 pages

Simultaneous Device Usage: Unlimited

Publisher: Indirect Knowledge Limited (April 20, 2015)

Publication Date: April 20, 2015

Sold by: Â Digital Services LLC

Language: English
