Encyclo-Beanie-A: Ultimate Guide (Collect And Learn)

Synopsis

Encyclo-Beanie-a is the first in the Collect and Learn interactive book series which inspires collectors of all ages to expand their minds, while engaging them in their favorite pastime, collecting Beanie Babies! Filled with Beanie and animal kingdom facts, figures, classifications, and creative play ideas, Encyclo-Beanie-a is a must have for the life long learner in each of us. Over 246 pages of full color, outstanding graphics and pictures makes this one of the largest, if not the largest, Beanie books on the market. As a bonus, Encyclo-Beanie-a has included a first ever interactive Beanie CD and a limited edition Peace poster. This free bonus allows the reader to view a Beanie talk show hosted by child authors Tiffany Foucht and Rachel Cook on their personal computer. Also included are 180 different Beanie Babies and their poems and encyclo-bits read by a team of child readers with sound effects and background music. This makes learning fun and enjoyable. No other Beanie book rivals Encyclo-Beanie-a in quality and appeal. This is a must have for all children, Beanie collectors, and educators alike.

Buckaroo Books is so excited about Encyclo-Beanie-a and it's educational and collectable value that we have planned a national publicity campaign that will ensure that virtually every person will see and hear about Encyclo-Beanie-a.

This guide, although published some time ago, is still very useful. It is worth the price.

It is helpful.

it was ok not what I expected !!!

I wish I could find an Updated 2013 Price Guide. This Opened my Eyes to other New & Interesting Ty Collectables.

That was my reaction after I took a glimpse at the cover of Encyclo-Beanie-a. The cover is just the icing on the cake, this amazing book is the best beanie book out there. Everything is great about it-- the pictures, content, presentation! A MUST HAVE for any beanie collector!-Devin Lazerine

This is a good book. I personally think it is fun because when I was little I got to be in the short clip with all the kids talking about their beanie babies. It was a lot of fun for me, I still have the weiner dog part of the set!!
