The experts at The Princeton Review have been helping students, parents, and educators achieve the best results at every stage of the education process since 1981. The Princeton Review has helped millions succeed on standardized tests, and provides expert advice and instruction to help parents, teachers, students, and schools navigate the complexities of school admission. In addition to classroom courses in over 40 states and 20 countries, The Princeton Review also offers online and school-based courses, one-to-one and small-group tutoring as well as online services in both admission counseling and academic homework help.

The practice test has answer choices A,B,C,D,E but on the answer document it provides us there's only bubbles for A,B,C,D no E at all, and the practice test was fairly easy for me I don't know if it's just easy for me or maybe I just thought it would be hard but it didn't feel as rigorous as it could be.
