Freckle Juice

Synopsis

Nicky has freckles – they cover his face, his ears, and the whole back of his neck. Sitting behind him in class, Andrew once counted eighty-six of them, and that was just a start! If Andrew had freckles like Nicky, his mother would never know if his neck was dirty. One day after school, Andrew works up enough courage to ask Nicky where he got his freckles. When know-it-all Sharon overhears, she offers Andrew her secret freckle juice recipe – if he pays. Andrew is desperate and feels it's worth it. At home he carefully mixes the strange combination of ingredients. Then the unexpected happens... From the Trade Paperback edition.

Customer Reviews

Finally a 'worthy' kids book! A cute story with great illustrations. I have every intention of getting the rest of Blume's books

A great introduction to chapter book reading for young readers. Judy Blume captures the essence of

growing up and learning about yourself and others.

My daughter has read this book several times over. I loved this book as child.

Adorable book about being yourself. Judy blume is a well known author and I wanted to share this with my children. They enjoyed the book and the lesson it teaches.

Such a fun story! I read a few pages, each night, to my first grader. We both loved the cute story! Would appeal to boys and girls. Has enough pictures to hold child's interest and help explain the story.

My granddaughter liked it.

Cannot go wrong with a Judy Blume book!

I have always loved this story and wanted to share it with my son. It's as good as ever for the 6-8 year old set. BUT, the reason, it doesn't get 5 star status is because the ONE thing that NEEDS to be highly visible in the story...isn't. The recipe for Freckle Juice in the Kindle version for iPad is teeny tiny and can't really be read. A HUGE disappointment. Really need to scale images properly for the formats, guys. Big letdown. Otherwise, great book for kiddos.
