Priscilla Shirer is a wife and mom first, but put a Bible in her hand and a message in her heart, and you'll see why thousands of women meet God in powerful, personal ways through her conferences, books, and Bible studies. Those include New York Times bestseller The Resolution for Women, as well as many other favorites (Jonah, Gideon, Breathe, God Is Able, Discerning the Voice of God, to name but a few). Priscilla's gift for boldly proclaiming the uncompromising truths of Scripture while ushering people into daily, intimate, destiny-driven experience with Christ takes her around the world, sharing the Word in person with tens of thousands each year. Through Going Beyond Ministries, she and her husband Jerry count it as their privilege to minister to people from all cultures and denominations. Together, the couple is raising three active boys. ^

Great books and my kids love doing them. Very easy to make it a long study or short if you need to break it up.

Thank you so much for this great tool!

CNt wait to get my little lady started on this!

I used both the younger and older kids activity books. The kids seemed to really enjoy using the books. They are filled with colorful pages and activities. It's a great study!

I did the Priscilla Shirer Armor of God bible study for adults and really enjoyed it. We began using it a few weeks ago and so far the kids really enjoy it.
