## Customer Reviews

"This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overviewâ€”loaded with practical and useful content." • Gadling.com "Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." • Chicago Tribune "The best optionâ€” Color photos, maps, and diagrams bring the place to life." • The Philadelphia Inquirer

These are the best books for going overseas. They easily fit in to your bag or purse, have a great map, and give you an idea of the area. Sure they aren't going to explain every historical aspect of every place, but then where would you put a 2000 page book? It has a lot of different areas, such as neighborhoods, churches, historical buildings, architecture, shopping, restaurants and was very up to date. Love it!

We own multiple Top 10 books and it is the first book I look for when we are going somewhere new. It's easy to read, full of good pictures, and doesn't go into too many details. The descriptions make it easy to pick activities that suit your travel style.

Always like the Eyewitness guides, they are portable but pretty comprehensive. Good maps, too.

These books are always our favorite travel guides. This has great information, nicely layed out and detailed. We also got the one for Lisbon and are very happy with it.

Offer an up to date summary of the top sights in Barcelona , along with great suggestions for dining and shopping. It's small enough to fit in a purse or large pocket. I wouldn't leave home without it.

The top 10 are the places to see. It's a nice overview before you go to Barcelona.

Good info in a compact format. We got a hotel idea from the book also.

Not so thrilled by some recommendations, especially on the restaurants. Glad there's top10 for kids. Would be nice if add some local swimming pools and parks in there.
