# Mad Dog (Starlight Animal Rescue)

## Synopsis

A new series by Dandi Daley Mackall, author of the best-selling Winnie the Horse Gentler series! If the world had any idea how mad I, Wesley "Mad Dog" Williams, am at it, the sun would be too scared to show its ugly face around here. Meet 14-year-old Wes Williams, aka Mad Dog. He's from Chicago and looking to return home just as soon as his mother gets out of rehab. In the meantime, he's stuck at Starlight Animal Rescue, where his only friend is his dog, Rex. As Wes schemes to get his old life back, will Rex and the other shelter dogs be able to rescue him . . . before his anger makes him go too far? Starlight Animal Rescue: Where problem horses are trained and loved, where abandoned dogs become heroes, where stray cats become loyal companions. And where people with nowhere to fit in find a place to belong.

## Customer Reviews

Wes Williams has only one thing on his mind: going back home to his mom as soon as she is done with rehab. After all, she promised they would be back together, that she was getting her life back together. For now, Wes is in foster care and his foster family runs Starlight Animal Rescue. He seems to have a knack with dogs after he nursed a stray dubbed Rex. Rex also has a

knack for knowing when Wes is getting mad—fâç— â —â â •even before Wes himself knows sometimes. Someone else has noticed Wes's knack with dogs and asked him to adopt a couple shelter dogs and train them for use in a nursing home. Things get complicated when Wes tries to visit his mom but isn't allowed to see her; and when the nursing home activities coordinator is not fond of dogs. This was another great installment by Mackall. Just like the first, Runaway, I had a hard time putting this book down. Animal lovers will enjoy this series. This is a Christian series, though I did not find it overly preachy, the Christian message is definitely there.

I really like this series it's so fun and You can never put the book down! I can't wait to read the next book! What I really like about this series is that there are four siblings or foster brother and sisters and each of them have a book about them!

Great book loved the whole series

I really liked this book. it is amazingly amazing and I loved how the author made Wes "mad dog" Williams so, well, mad all the time!!!! It was really interesting to read how many levels of angry Wes had! GET THIS BOOK TODAY, TOMORROW, OR IN A WEEK!!!!!! DON'T CARE WHEN JUST GET IT!!!!!!

This book is a great read (as are like all the books I read!). I love the book because it is about dogs (which I love, as well as horses and other animals) I couldn't stop reading the whole series. I recommend for kids aged between 10 - 15

This book I recommend for a person who loves animals and believes that can help and love you unconditionally through hard times. I loved this book and it helped Mr better understand how much having a pet around can help your life!!

The only reason I rated 4 stars is because it's on a boy. I like the books on Dakota and Kat better but still really good.

I always buy everything from . Best Price Products and shipping anywhere-go Prime it pays for itself a hundred times over!!
