Customer Reviews

This is a cute little book. The music isn't very challenging, I would say beginner to early intermediate. There is a decent selection of fairly recognizable songs. I was hoping for longer music, but most of the songs are only a few lines long.

This book is good for my 13-yr-old to practice her flute during the summer. The book is in a good condition especially for a used book.

great

Great book for beginners with nice melodic tunes.

love it!

This is a great way to keep practicing your instrument and I do enjoy playing my flute. This will keep me practicing for awhile.

I bought this for my granddaughter who plays the flute. I am "technically impaired" when it comes to music but I picked a winner!

Arrangements are not exciting, nor is there much to recommend this over and above other similar offerings. Nothing special in this one.
