Shifu Yan Lei is a 34th-generation fighting disciple from the Shaolin Temple in Henan Province, China. He teaches thousands of students through his Shaolin Warrior DVD series and is among the most respected and renowned teachers of authentic Shaolin Qigong. He is the author of Instant Health. He lives in London.

I am a big fan of Shifu Yan Lei Shi, I have his other book, "Qigong". The 2 books together will make the perfect workout. He knows his stuff -- this is the real thing. He is a Shaolin monk who trained at the real Shaolin Temple. This book will teach you what kung fu is really about, mastering your mind and body and knowing yourself. It is also a great workout! There are gorgeous photos in and around the Shaolin Temple in China. What a beautiful place! And for the workout there are step-by-step photos and instructions.

I have both this book and Shifu Yan Lei Shi's book Qigong. I don't usually write reviews however for this item I will make an exception. The written details and pictures in this book is amazing, I have suffered from mental health issues and have not had the energy to do anything, I bought this book after seeing Shifu's YouTube videos and I'm glad I did. I started with 5 mins every day and I noticed the effects after about 1-2 weeks. I recommend having a look at his YouTube videos as well as purchasing this book.

This book is awesome! I've been doing yoga, surfing, and jogging for years but this book just in the first few workout chapters is very challenging and fun. I bought the companion DVD from his site as does not sell it (or I could not find it). This book has a few chapters on mind conditioning, posture, etc. (which is very important). Additionally he talks about the Shaloin Temple and what that training is like. The pictures in this book are lovely and the breakdown of each technique is great. I would recommend getting the DVD though, Shifu really pushes you and to see some of the techniques is very helpful.

Shifu Yan Lei Shi's books are wonderful, very easy to read & easy to follow, if you are interested in Kung fu, get this!

all of his books and videos are great straight forward no fluffy just work for the mind and body. A great shifu and motivator
