The Unofficial Harry Potter Spellbook: The Wand Chooses The Wizard

Synopsis

Author and Harry Potter fan Duncan Levy recognizes that *Wingardium Leviosa* may be the most popular spell incantation from the world of Harry Potter, but he'd be the first to remind fans that it isn't the only one. The Unofficial Harry Potter Spellbook is a comprehensive companion for fans looking to delve deeper into the magical world of Harry Potter. Written by fifteen-year-old author Duncan Levy, this extensive collection of spells is not only a fun treat for fans but an extensive look into the magic that fuels the universe of Harry Potter. The books of Harry Potter were written by British author J.K. Rowling. Since the first book's publication back in 1997, the Hogwarts universe has since taken the world by storm, spawning a series of highly successful films, and a whole line of official and unofficial books, toys, games, and clothing lines. The Unofficial Harry Potter Spellbook takes fans one step closer to the world of Harry Potter by providing them with a convenient and fun way of finding out the different magical spells that were used in the books. The book covers everything from hexes, jinxes, and curses, to charms and healing spells. Whether you're looking for a quick-read magic guide or a fun addition to your growing collection of Harry Potter memorabilia, The Unofficial Harry Potter Spellbook is perfect for you. The Unofficial Harry Potter Spellbook is part of the THiNKaha series whose slim and handy books contain 140 well-thought-out quotations (tweets/ahas).

Customer Reviews

I got this book and it was like twenty dollars and it took forever to convince my mom. I was so excited when I opened it, but then WAT THE !?!!!!?!??? There are no wand movements. Every person knows that you need wand movements to perform a spell. You can't just pick up your wand and go ACCIO BACKPACK and expect that your backpack will magically zoom to your hand. And it is very short and I expected more. In a real spellbook it would include the types of wands! And it should include how to perform the spells. Like example: pick up your wand and ready yourself. say ACCIO (object desired) and sharply flick your wand up. your desired object should fly to your hand. Also, it should have the correct way to hold a wand, and maybe even the history of some spells.... I mean I know that might be a little fantasizing, but some of the kids reading this book would love to learn that stuff. Overall, I am very disappointed in this book. The main reason I am complaining is because of the price of the book. TWENTY DOLLARS. Me and my mom have a budget of twenty dollars a month. Because I am such a dedicated fan, I begged my mom to let me get it. Finally she let me, but it was clearly NOT worth it. Now I can't purchase any books for a whole month, which is the worst, because I am a real bookworm. Very disappointed, Sheila C.

The spells didn't work because I tried to use Harry's and Hermione's wands. I'm getting my own at Ollivander's in Diagon Alley.

9 year old Grandson loved it!

No comment from grandson on this item and I haven't seen it yet...

Do not waste your money. There are no tips to pronounce the spells and no wand movements. I wish I had read the reviews before purchasing. Very disappointed.

My Grandson loves Harry Potter. He couldn't wait to cast some spells.

My grandson is in a Harry Potter club at school. This book was received with shrieks of joy.

It was a gift for my granddaughter. I did not look at it, but she was very happy.
