When we were young, the world was filled with wonder. The winds whispered in our ears. Shadows had life. The clouds told stories. But today, we no longer see with a child's eyes, and many people scoff or laugh at those who do. Sure, we have technology and modern conveniences, but we have built boundaries around ourselves and our lives seem to have lost much of that wonder and joy. Enchantment of the Faerie Realm by Ted Andrews will show you that the worlds of amazement you used to visit are still alive and awaiting you. Though the doorways to the enchanted realms may be obscure, this book will show you methods for seeking them out. Every soul has a purpose, but we can lose sight of it due to our involvement with outer activities and responsibilities. Enchantment of the Faerie Realm reveals the good news! There are still noble adventures you can undertake. You can still visit trees that speak and find caverns that lead to other realms. This faery realm refreshes your creativity and your spirit and helps you to keep joy alive. Enchantment of the Faerie Realm will help you rediscover your lost child. At the same time, you will find faeries and elves, gnomes and dragons, sylphs and mermaids, and more. It will help bring bliss into your life.

Ted Andrews (1952-2009) was an award-winning author and deeply respected teacher in the metaphysical and spiritual fields. Through his seminars, symposiums, workshops, and lectures, he was committed to making esoteric material comprehensible and practical for everyone. Ted Andrew's many gifts included clairvoyancy, aura interpretation, past-life analysis, dreams interpretation, numerology, and Tarot. He wrote many books on these subjects, but is best known for his work with animal mysticism and for his bestselling *Animal Speak: The Spiritual & Magical Powers of Creatures Great & Small*. Certified in basic hypnosis and acupressure, Andrews was also involved in the study and use of herbs as an alternative path in health care, focusing strongly on esoteric forms of healing with sound, music, and voice. In addition to his interest in metaphysics, Ted was a trained pianist and often used the Celtic harp, bamboo flute, shaman rattles, Tibetan bells, Tibetan Singing Bowl, and quartz crystal bowls to create individual healing therapies and induce higher states of consciousness. Ted Andrews is the author of *The Healer's Manual*; *Animal-Speak*, *How to See & Read the Aura*; *Enchantment of the Faerie Realm*; *Crystal Balls & Crystal Bowls*; *How to Uncover Your Past Lives*; *How to Heal with Color*; *Sacred Sounds*; *Simplified Qabala Magic*; and many other New Age titles. He passed away on October 24, 2009.

Once again, I am a fan of Ted Andrew's work and this came in great condition as promised.

Beautifully written book with easy to follow instruction.

Quit interesting well written and I enjoyed it! Info that was easy to understand and things I did not know about the Faerie Realm

Good book but pretty much the same things you find in all the Fae Books..... another book for your collection...,

My mother in law is in total awe of this book. So I purchased it also. Having a hard time staying interested in the topics? Nice read, interesting in many parts, but a book I don't have a hard time putting down.
