The Game For A Lifetime: More Lessons And Teachings

Synopsis

TIMELESS LESSONS FROM THE MASTER OF THE GAME This, the fourth book by Harvey Penick, was nearly finished when he died in April 1995. A return to the timeless wisdom that has made his first bestseller, Harvey Penick's Little Red Book, a modern classic, *The Game for a Lifetime* does not contain the technical swing tips and stance aids of today's instructional guides, but dispenses a philosophy on golf, and on life. Harvey Penick knew that the teachings in his book would stand the test of time, and he spent his lifetime pursuing and enjoying all that the game has to offer -- physically, emotionally, and spiritually. *The Game for a Lifetime*, the final book by Harvey Penick, stands as a wonderful testimonial to this legendary career, his celebrated teaching style, and his ability to affect the lives of the people who had the good fortune to know him.

Customer Reviews

It's Harvey Penick, for crying out loud - the eldest statesman of the game. Full of wisdom, anecdotes, and the pure joy any golfer enjoys - occasionally - this book, along with Harvey's other books will certainly help any golfer, of any skill enjoy this frustrating yet rewarding game.

Love this book!

Excellent read.

Chocked full of golf wisdom and anecdotes from a true legend.

The words of Harvey Penick are timeless. I've shared his books with many people, and everyone tells me that reading them has changed their outlook on golf for the better. Today we are bombarded by the latest gimmick or tip of the week. But Harvey's approach is all the more relevant. Get any of his books or all of them - they are easy to read and well worth your time!!

Again, Mr. Penick's practical advise is timeless. If you're a serious golfer, you must read all his books. I highly recommend it.

I have the other two books, so this completes my set! Mr. Penick is one of the all time golf instructors, get great lessons from his books and a laugh of two!

Love the book and would order again from this supplier.
