Customer Reviews

Great little trip planner book. I highlighted and marked good spots for Teton viewing and light hikes. I'm not a long hike person, preferring 1-3 miles lateral, and always seeking great spots for vacation picnic lunch stops. This book provides great reviews around the Jackson WY valley area, south of

Yellowstone.

Exactly what I was looking for ! Just returned from my first trip to Grand Teton National park, wonderful trip thanks to this book. Everything I needed to know about hiking, where to eat, what to see ... great information.
