Customer Reviews

The book is written by Ethel Wood, an AP Social Studies teacher since 1989, an exam reader and table leader from 1991 to 2007, and author of leading test preparation and textbooks for the U.S. Government, Comparative Government, European History and World History Exams.

the book was required by the school and it is a well written bok and my son has enjoyed reading the material for class.

This seems pretty good. I like that it is kind of thin so that I can hold it while standing up.

Best study guide for AP Human Geography, hands down! Students and teachers love the clear and straightforward material. Several practice exams and questions that are aligned to the AP released exams on AP Central.
