The Art Of Medieval Manuscripts (The Art Of)

Synopsis

Colorful reproductions and a complex, artistic layout accompany the rather thin text on illumination in manuscripts ranging from bibles and prayer books to historical works, treatises of natural history, medicinal guides, atlases, and collections of folk

Customer Reviews

This is a totally beautiful book. Illustrations are enhanced with metallic gold and some vellum overlays. Gorgeous and informative.

Very interesting for history buffs and students of Medieval language and culture. Worth a look for many returning European travelers, as well.

Just an all-around wonderful book. As you learn about the manuscripts, the authors actually bring you inside of one, using the book's beautiful presentation. Well written and organized-a compliment to any collection.
