This book is super cute, my son loves yokai watch, and this book is not too complicated since he's young. I like that it's got plenty of stickers, so there's something leftover to play with even after you complete the activities

Fantastic activity book, only wish it had more pages!

My grandsons ages 5 and 7 are enjoying this sticker book. They are really into Pokémon so this

book is sort of like Pokémon.

This sticker book was very straight forward and came with a lot of stickers. Good activity for while riding the school bus.

My grandson loves all things Yo Kai.

Guess it is ok, have not given for Christmas yet

I bought this for my 5 year old niece and she loved it! Arrived on time and was a good price. Thanks!

Son loves it. Im losing my mind
