Customer Reviews

"Well designed, beautifully laid out and cleanly presented, with plenty of empty spaces for personal annotations....The subject of trauma is treated in a logical succession...Many schematic representations illustrating the clinical conditions to be observed...The photographs are clear and often appear with a clinical X-ray of the same case..."--Canadian Dental Association

Graham Roberts is at Professor of Paediatric Dentistry, Eastman Dental Institute for Oral Health Sciences, London, UK. Barry Scheer is at Postgraduate Tutor, Formerly Senior Lecturer in Paediatric Dentistry, Eastman Dental Institute for Oral Health Sciences, London, UK. --This text refers to an out of print or unavailable edition of this title.
