Customer Reviews

If you enjoy Paranormal mysteries...without being subjected to x-rated material or vulgar language, these books are great. I enjoyed every one of the first five stories, and look forward to the next stories in the Witches of Winterfield series. This writer is a "Breath of Fresh Air", and her stories are clever, with some very unusual characters popping up.

This set of books kept me occupied for two days, two days when I actually should have been doing some work in my house instead of reading. However, they've been very entertaining!

Nice, easy to read. A little romance, a little paranormal, a little mysterious. Nothing harsh or too expletive. I enjoyed these stories,, and the price was good.

Enjoyed this book, put it down when I finished it. Fun read!

Good, easy ligh hearted beach read. Now on to rest of series

Absolutely the most fun read.
