All Black Sketchbook: Blank Black Paper Sketchbook (Notebook) (Journal) 8.5 X 11, 50 Pages (Volume 1)

Synopsis

The All Black Sketchbook blank black pages notebook journal is a great way to explore your imagination and creativity using black paper as your artistic canvas which is unique compared to traditional writing pads, drawing pads, and sketchbooks that only use white paper . This black paper sketchbook is perfect for use with metallic markers and pens, gel pens, and chalk markers and even pastel chalk. Jumpstart your creativity with our black paper sketchbooks in various sizes. The All Black Sketchbook notebooks are made right here in the USA.

perfect

Great product and service A+

This is NOT black paper, this is white paper with black printed on to it. Have you ever made photocopy from a book? You don't use the whole page and the edge of the printing paper comes out black. That what these pages look like, photocopies that were exposed to too much light. The pages are grainy and streaky. I added a picture, if you look at the cut edge you can see this is not black paper but white paper turned to black. The front cover looks worn already; I have only had this for a couple of hours. Keep looking.

Unfortunately this sketch book was not of good quality. It's possible we just got a bad one due to a

poor run. But there were lines and streaks through each page. Looks like the press made too deep an impression on the page as it ran through the press. Too bad, because it was otherwise just what we were looking for.

Christmas Gift!

I was not impressed. The paper looks as if someone left the lid on the scanner up and printed off grey paper. Was not what I was expecting.

Pretty cheap paper. Doesn't look good with prisma or copier.

Love this book. It is a good size and fancy if you ask me. Writing on black paper is an act of beauty the way I see it. Great for what I am using it for.
