God's Mercies: Rivalry, Betrayal, And The Dream Of Discovery

Synopsis

From acclaimed author Douglas Hunter, a searing historical work about death, deceit and dishonour, and the rivalry between Samuel de Champlain and Henry Hudson—two of the greatest explorers of the seventeenth century. Samuel de Champlain of France and Englishman Henry Hudson were rival explorers in a race to describe and exploit the northern half of North America and, not least, to find a profitable passage to the Orient. The English had been trying to find a way through the Arctic since the 1570s. For Hudson, the dream of discovery proved fatal. A mutiny in the summer of 1611 saw Hudson, his teenage son John, and seven other crew members cast adrift in James Bay in an open boat. They were never heard from again. In May 1613, Samuel de Champlain left the site of present-day Montreal on a journey up the Ottawa River into uncharted territory. Champlain had undertaken the expedition because of extraordinary testimony from a young informant, Nicolas de Vignau, who had spent 1611-12 with the Algonquin and returned to France with an incredible story: He had visited the Northern Sea. What's more, he had seen an English youth, the sole survivor of a shipwreck, held captive by the Nebicerini people as a gift for Champlain. To rescue both the English youth and his own career, Champlain set out to collect him. *God's Mercies* has all the elements of a great adventure mystery: a mutiny, a massacre, a murder trial, signed confessions, and intrigue at the highest levels of state. Truths would be revealed as lies, and lies would turn out to be half-truths.

Book Information

Hardcover: 432 pages

Publisher: Doubleday Canada; First Edition, First Printing edition (October 23, 2007)

Language: English

ISBN-10: 0385660588

ISBN-13: 978-0385660587

Product Dimensions: 5.8 x 1.3 x 8.5 inches

Shipping Weight: 1.3 pounds

Average Customer Review: 3.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #3,922,746 in Books (See Top 100 in Books) #62 in Books > History > Americas > Canada > Exploration

Customer Reviews

"A page-turner . . . *God's Mercies* is entertaining, enlightening, and significant: Bravo!"—*The Globe and Mail* "A work that combines scholarly rigour and fresh insight...a riveting

account."â "Literary Review of Canada" Hunter writes with the kind of vividness that makes you want to pull the blankets closer. . . . A first-rate adventure story."â "Calgary Herald" Hunter knows how to construct a dramatic narrativeâ |. Itâ s tough to marry historical scholarship and entertainment. Part of the challenge is to provide just the right level of detail for average readers while faithfully hewing to the historical record. But Hunter gets the balance just right as he plows through the historical evidence and pulls pieces of the puzzle together. Adventures in Canadian history donâ t come much better than this."â "Winnipeg Free Press" Let Douglas Hunter join the ranks of Canadaâ s greatest explorers. His journey into the lives and curiously intertwined fates of Henry Hudson and Samuel de Champlain is the stuff of great adventure and evenâ a new discovery. Thereâ s enough wind in this writerâ s sails to carry the reader effortlessly through the Europeanâ foundingâ â or perhaps we should say invasion â of the land we now call Canada. A grand achievement indeed."â "Roy MacGregor, author of Canadians: Portrait of a Country and Its People

Douglas Hunter has written widely on business, history, and sport. His previous books include War Games, Molson: The Birth of a Business Empire and The Bubble and the Bear: How Nortel Burst the Canadian Dream, which won the National Business Book Award.

I kept on reading and reading. Has a good, clear analysis of the trial of the mutineers. Learned a lot about both Hudson and Champlain.

I noticed a little mistake Hunter made within the first few paragraphs. He states that the ship from Hull that Jonas Poole encountered off Spitsbergen was named the "Marmaduke". It was in fact named the "Hopewell", its master being one Thomas Marmaduke. Note that this review will be helpful to few if any people, like most (all) of my nitpicking reviews. Cheers!
