Norse Mythology: Thor, Odin, Loki, And The Other Gods And Heroes (Norse Mythology, Norse Gods, Norse Myths, Norse Sagas, Norse History)

Synopsis

In this book you will find information, about Norse Mythology. Norse mythology, or Scandinavian mythology, is the body of mythology of the North Germanic people stemming from Norse paganism and continuing after the Christianization of Scandinavia and into the Scandinavian folklore of the modern period. Most of the knowledge used to create this book, is from the Icelandic historian and poet, Snorri Sturluson, who has written The Prose Edda around the year 1200. The Norse gods and goddesses were loved by the Vikings. The Vikings came mainly from Denmark, Norway, Sweden, Iceland, Faroe Island, and Greenland. People around the world have been fascinated and inspired by Norse Mythology for centuries. In the late 20th century, references to Norse Mythology became common in science fiction and fantasy literature, role-playing games, and eventually other cultural products such as Japanese animation and Hollywood Movies. Here is a selection of what you will learn: An introduction to Norse Mythology Cosmology including The World-Tree and Its Inhabitants The Norse Pantheon - The Gods and Goddesses (Thor, Loki, Odin, etc) The Creation of the Universe The Fortification of Asgard Iduna's Apples Odin in Midgard Thor's Adventures Among the Giants The Curse of Gold The Death of Balder The End and the Beginning Learn more about Norse Mythology NOW and scroll up to the top of this page and BUY it Now!

The coolest thing about this book for me is the way the author tells the story. It feels like reading the Bible but replacing everyone in it with a Norse mythology setting with the gods and other heroes. It gets pretty surreal yet sounds as if these events really happened or at least inspired by a video game. Just too bad the book just suddenly ends when things were just getting hot. But I still enjoyed the ride!

This collection of stories of the pre-Christian pagan religion of the norsemen, is very well written and interesting to read. While no exhaustive, it offers a glimpse into the ancient mind.

The writing was OK, and the subject matter was interesting, but there were typos throughout the book, many of them interrupting my train of thought.

I just finished watching the movie Thor when I got this. I was so inspired to learn more about Norse Mythology. I didn't realize the whole thing had a historical significance. Cool! This was short, but nonetheless it was interesting to read about all the Norse gods and goddesses. I noticed they shared a few things in common with the Roman and Greek gods. I read the myths before I went to sleep at night and a couple of times I dreamt I had superpowers, LOL!!! Glad I got this book!

I am always fascinated about Mythology and stories about gods and goddesses. I have read a lot of books about Greek Mythology but this is my first time to read about Norse Mythology. I must admit that as I turned the first page of the book I can't help it but keep on turning the pages until I reached the last page. It was a quick read though but I enjoyed it so much. I would greatly appreciate it more if the author has given more details of the gods and their stories.

It is exciting to read a book such this "Norse Mythology", the ruling of kings, empires and other terminologies fascinates me, I believe that we owe our ancient history, and that's why we sometimes need to look back and be grateful for its contributions. This book is a solid reference

work that can be used for both a casual reader and more serious students interested in studying Norse Mythology. Recommended!

I have always been intrigued by mythology. Norse Mythology delves into the origin and functioning of the Norse gods. This topic has been addressed by many fiction writers who present the world (and other worldliness) in which these gods inhabit and rule. The book is an enjoyable read. I would highly recommend you add this to your reading library.

As much as I love reading myths and legends this is my first acquaintance with Norse mythology. Well apart from the movies.. The Norse pantheon is an amazing mix of gods and goddesses and their adventures are fascinating. I learned a lot and I think I will find some more books on Norse myths. Had no idea Friday was named after Freya..
