Customer Reviews

Since 1937, Merriam-Webster is America's foremost publisher of language-related reference works. The company publishes a diverse array of print and electronic products, including Merriam-Webster's Collegiate® Dictionary, Eleventh Edition America's best-selling desk dictionary and Webster's Third New International Dictionary, Unabridged. Merriam-Webster can be considered the direct lexicographical heir of Noah Webster. In 1843, the company bought the rights to the 1841 edition of Webster's magnum opus, An American Dictionary of the English Language, Corrected and Enlarged. At the same time, they secured the rights to create revised editions of the work. Since that time, Merriam-Webster editors have carried forward Noah Webster's work, creating some of the most widely used and respected dictionaries and reference books in the world.

Not impressed with definitions. The definitions could use some better wording.. be more clear cut,

giving the user a better picture of what the word means

its a little too thick for my 4th grader...but I guess it has all the words so thats good.

Excellent item and fast delivery.

Really though.

Handy and compact.

awesome

Speaking English as a foreign language only (I'm Brazilian), I struggled to find a good dictionary to aid my readings of Shakespeare, Milton etc., for all English-Portuguese dictionaries are way too concise and leave out a great many important terms. That's not the case of the Merriam-Webster's Dictionary and Thesaurus.

My guy is taking classes while incarcerated and he needed a dictionary/ thesaurus. This worked out perfectly! Thank you for having it available and making it so easy to purchase and send!
