# Wheels On The Bus (Early Childhood Themes)

## Synopsis

In this charmingly illustrated version of the traditional song, new readers will follow along as a bus makes its way through the town. The delightful, vibrant images, simple text, and sing-song rhyme work together to create an enchanting and engaging story that children will want to follow along with and read aloud. About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
