## **Synopsis**

A new musical board book from VeggieTales, the #1 children's faith-based brand! Join Madame Blueberry, Larry the Cucumber and all the Veggies as they prepare for their Easter celebration. Madame Blueberry has big plans for the holiday, and she wants everything to be just right. When her plans hit a snag, she fears the entire day is ruined. Soon the sweet sounds of the children's choir singing 'Hosanna, Loud Hosanna,' remind her of the true meaning of the holiday: it is a day to worship our Savior who was raised on Easter Day to give us hope and to show us the way. Here is the Easter message told through the bright and colorful characters of the #1 children's faith-based brand. The book features a sound button of the Veggies singing a refrain of Easter hymn 'Hosanna, Loud Hosanna' for extra holiday fun. Ages 2-5.

My granddaughter's first love and first word was Bob (the tomato). Veggie Tales is so wholesome and it's value based, there is no better book series.

My granddaughter loves these books. I've bought her several veggietales. I'm grateful for positive attitude. Teaching about God.

I ordered this for my 16 month old grandson who I babysit. He loves musical books, but this one is his favorite and has been from the first time he heard it. He is able to push the button easily with his little pointer finger and listen to what seems to be children's voices singing. He has many other musical books, but this one is special. It is a very colorful and sturdy board book. I highly recommend this one.

love the book but there was a big nick in the front cover of the book... it was not in the condition it was describe at

My baby pushes the button at least 10 times or more and is smiling and laughing the whole time. They go well with the movies. She is young and cannot hurt the pages because it id a board book.

My children love veggie tales, and this is a perfect Easter stuffer!

Vegi tales came thru again. Very cute book with good moral, colorful illustrations, and music too!! My grandson loves pushing the music button.

This is great for teaching kids the religious side of Easter!
