Customer Reviews

Awesome product! Works perfectly for leveling and trimming cakes! for myself, great and good experience. good quality with low price. arrive on time.

...in the middle of Narragansett Bay, is a way of life almost forgotten in this day and age. Josie and Grace have captured the flavor of life on the island, in a very real and personal way. Although it helps to be from Rhode Island to fully understand all the references in the book, anyone can appreciate the trials, tribulations, and joys of living on an island.

My grandfather, Horace M. Barrett, was the illustrator of this amazing book about life on a small Island in the Narragansett Bay. My Granddad died in January, as did Josie Avery. They are both greatly missed but their lives live on through their book and through the people of Prudence Island. RIP, Granddad and Josie! And, Grace, thank you for your part in this book! I will treasure it forever.
