Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

The songs are great however I wish they would attempt to keep the songs to 1 or 2 pages so that you do not have to flip pages while playing. Seems like the print could be smaller to accomodate this. No tablature.

The best beginner book yet!
