## Customer Reviews

Good travel book, but realize that the print is very small.

GREAT Travel Guide. We are planning this trip and so far this book has been very helpful. I recommend this travel guide.

contains great tips but is small compared to other guides, so fits easily in limited luggage.

always clear, complete and full of information as usual!

I appreciated insight that included a local perspective but also have advice for the tourist concerned and travel safety.

Great for my Africa trip...

This as a kindle companion to my real life trip to Tanzania. But I was traveling in group tour mode. So I didn't make use of the whole book. It was very helpful to provide context or history to the places that I did go.

Great book!! Good organization! Helpful tips!
