White Awake: An Honest Look At What It Means To Be White

Synopsis

Daniel Hill will never forget the day he heard these words: "Daniel, you may be white, but don't let that lull you into thinking you have no culture. White culture is very real. In fact, when white culture comes in contact with other cultures, it almost always wins. So it would be a really good idea for you to learn about your culture." Confused and unsettled by this encounter, Hill began a journey of understanding his own white identity. Today he is an active participant in addressing and confronting racial and systemic injustices. And in this compelling and timely book, he shows you the seven stages to expect on your own path to cultural awakening. It's crucial to understand both personal and social realities in the areas of race, culture, and identity. This book will give you a new perspective on being white and also empower you to be an agent of reconciliation in our increasingly diverse and divided world.

Customer Reviews

"White Awake is a profoundly pastoral book with serious implications for the ecclesial, social, and political life of our nation. At a time when conversations about race seem increasingly cross-pressured by various interests and motivations, readers can trust Daniel Hill to tell them the truth about racism and white supremacy. Hill does not use these fraught issues to manipulate, but rather to help his readers see more clearly. If Christians read and consider this book carefully, it will help them. It helped me. I'm grateful to Daniel for writing White Awake." (Michael Wear, author of Reclaiming Hope)"Daniel Hill's personal and deep dive into whiteness, reconciliation, and the

dividing lines in our social matrix of race is needed like never before. At a time of ongoing racial weariness and colorblind responses, I'm so grateful for this resource. Allow the transparency and courage of this book to lead you into the needed work of unity, liberation, and justice." (Efrem Smith, author of *Killing Us Softly* and *The Post-Black and Post-White Church*) "White Awake is at once personal, practical, and provocative. Well conceived, researched, and written, this timely book provides a detailed consideration of cultural identity and its formation from which everyone can benefit—particularly those of us who are white and willing to engage the topic not only for our own benefit but, more significantly, for the sake of the gospel, as ambassadors of Christ and ministers of reconciliation in an increasingly diverse society. Indeed, it is long past time for us to reflect deeply and responsibly on race, racialization, and reconciliation. With refreshing honesty and only the best of intentions, Daniel has provided us with a means to do just that." (Mark DeYmaz, founding pastor of Mosaic Church, author of *Building a Healthy Multi-Ethnic Church*)

Daniel Hill is the founding and senior pastor of River City Community Church, a vibrant, multiethnic church in the Humboldt Park neighborhood of Chicago. He is the author of *10:10: Life to the Fullest*. Prior to starting River City, Daniel worked in the business world before serving five years on the staff of Willow Creek Community Church in the Chicago suburbs. He has a business degree from Purdue University, an MA in theology from Moody Bible Institute, a certificate in church-based community and economic development from Harvard Divinity School, and a DMin from Northern Baptist Theological Seminary. He is married to Elizabeth, who is a professor of psychology, and they are the proud parents of two children.
