Kids' Lacrosse Drills: Drills That Work For Elementary School Boys

Synopsis

Do you coach elementary school boys' lacrosse? If so, you need drills for developing your players' skills. Drills that work for older players usually don't work for little kids. Typical lacrosse drill books ignore the very youngest players. If you coach these boys, Kids' Lacrosse Drills is for you, whether you're just beginning or experienced. You're short on time and little kids are short on attention. Don't waste your efforts with what won't work. This book delivers what will work. Everything inside focuses exclusively on drills for six- to eleven-year-old boys. Nowhere else can you find information suited for this age level. Nowhere else can you find drills that are kid-tested. You could waste hour after frustrating hour learning what you need to know. Instead, spend a few minutes reading what you need and flash into action.

Book Information

Paperback: 116 pages

Publisher: CreateSpace Independent Publishing Platform (April 7, 2010)

Language: English

ISBN-10: 1451562667

ISBN-13: 978-1451562668

Product Dimensions: 6 x 0.3 x 9 inches
