The Medes, The Persians And The Romans | Children's Middle Eastern History Books

Synopsis

History is a very interesting yet boring topic for most children. The reason is because they'll be reading about names, dates and events from the past. But history needs to be studied because many valuable lessons can be picked by just reviewing the events of the past. The decisions your child makes today could be indirectly influenced by the lessons learned from this Middle Eastern History Book.

Customer Reviews

Got it to see if I could use it to motivate some pupils, but it won't do for that. Good, clear info, but boring.
