Travel Machu Picchu & River: Tour The Peruvian Rainforest Easily & Economically

Synopsis

Visiting Machu Picchu and traveling the River in Peru is the dream of millions of people from around the world and this eco-book shows you how to accomplish this historic journey safely, easier and more affordable than you could ever imagine. Right now, you can conveniently catch a flight from anywhere in the world and spend a couple of days in the rainforest and another couple of days enjoying the ancient Inca ruins of Machu Picchu. On the other hand, you could make a longer journey, as I did, flying to Lima to start your trip at the beginning of the river in Peru. Then from the jungle city of Iquitos flight to Machu Picchu to then return to the and continue all the way to the end of the river on the beautiful beaches of Brazilâ™s Atlantic coast. Throughout this journey, you will learn that Peru with its ancient culture is full of brilliant and magical moments and together we will discover: The secret, step by step, to enjoying this beautiful part of the world according to your time, budget and your favorite activities How to save hundreds of dollars on airline & boat tickets to have a fantastic holiday How to maximize your time on the river or the jungle. Do more with less! The secrets of Lima, the Peruvian capital, with transportation tricks and shortcuts. The best Inca trail paths, literally, step by step. Machu Picchu striking facts that will leave you speechless Exotic tours off the beaten track to beautiful little-visited, but safe remote communities. Places to go surfing, golfing, play tennis, or go fishing How you can help conserve the environment and why you should support indigenous communities Today Machu Picchu and the basin are for everyone. It is for infants and children, traveling with their parents. It is for college students, traveling alone. It is for grandparents, looking for one last adventure. It is for anyone who dreams to travel to exotic places. Before it is too late, because of global warming and excessive deforestation, everyone should travel to these destinations and experience the beauty and serenity that unfortunately are rapidly disappearing, due to ignorance and greed. The and Machu Picchu are waiting for you. Whether your style of traveling is relaxed or full of activities and adventures, this eco-guide will help you explore Peru the fun and easy way. This eco-book from Mynor Schult will be the only tour guide you will need on this incredible and unforgettable journey. *** Part of the proceeds of this book are donated to â™s communities *** âœEvery little bit of rain forest that gets ripped out over thereâ | really hurts us over here.â • Harrison Ford (USA) Movie star of Indiana Jones and Air Force One âœCharming testimony and a guide to the transformative power of nature available to all and worthy of being cared for by all. Customer Reviews

This is a worthless book. The information is minimal with no attempt to give important travel details. Seriously, there is almost no real information. I cannot stress how disappointing this book is.

This book was disappointing. I was looking for more about the history of this site and the areas around it.

Great information. ..really helped before the trip
